

The Kennesaw Farmers Market operates from June through October. The Market is open every Tuesday from 7 am to 1 pm at the Adams Park soccer field parking lot (2753 Watts Drive, in front of the Community Center). During the high crop yield periods of July and August, the Market will also operate on Thursdays from 4-8 pm.

Sponsored by the Kennesaw Downtown Development Authority, the Market features a variety of just-picked produce grown by local farmers; fresh baked breads, cakes and pies from local bakeries; landscape plants, house plants and herbs; homemade jams, jellies and salsas; and other interesting and fun items. On a typical Market day in summer, over 30 vendors will be set up offering their best vegetables, fruits, baked goods and specialty goods. Arrive early for the best selection.
